Barry Wayne Rigney  
Petitioner

vs

Danville City Farm  
Commonwealth of  
Virginia

7:19-cv-588

Form 1983 Civil Action

Petitioner Barry Wayne Rigney is filling this Civil Action  
on Danville City Farm, for a blatant whole violation of Petitioner's  
Constitutional Rights under 4<sup>th</sup>, 5<sup>th</sup>, 7<sup>th</sup> Amendments in which All  
law enforcement personnel has civil duty to uphold the laws set forth  
by the House of Representatives of the Commonwealth of Virginia  
to protect the citizens of Commonwealth whether incarcerated or not.  
They are sworn to protect and serve the people of the Commonwealth  
of Virginia. Petitioner will lay out facts to prove miscarriage of  
protection for Petitioner as well as his family, by not following  
the laws set forth by House of Representatives of Commonwealth of  
Virginia by not following policy and procedure of following Uniform  
Code for Justice, in the rules for Correctional Officers reporting a crime  
that is reported to them by a inmate with in their custody policy  
states when a inmate reports a fear for his life and his family the  
head of corrections has a obligation to report to STATE Authorities.

of local police department, especially in a location like Danville Virginia, where many gang members are in trial for murder and criminal activities. STATEMENT OF FACTS in this 1983 Civil Action will show a clear disregard for Petitioner's family as well as him self. This will prove beyond a reasonable doubt the Corrections Officers not only violated the Petitioner's Constitutional rights the civil liberties of the Commonwealth of Virginia, Uniform Justice, to protect and serve, Petitioner is asking the Honorable Federal Court after review of facts set forth in this 1983 Civil Action to grant him punitive damages in the amount of one million dollars.

### STATEMENT OF FACTS TO Support Federal 1983 Civil Action

I) Petitioner was at Danville City Farm from Jan 1983 until Feb 29 I left Danville City Jail to go to Danville City Farm Michael Travis who I had met one year prior, I began buying crack with him, from Paul Brown a well known blood who has ties to the bloods who have been indicted for murder in Federal Court as well many other charges gang related.

II) Petitioner bought from March till June 10<sup>th</sup> when Petitioner decided he was threw and at this time Petitioner thought the dept was payed, and it was however Michael Travis continued to receive crack from Paul Brown unbeknown to Petitioner, Michael Travis was receiving additional crack in Petitioner's name.

CIII Then Paul Brown Approached Petitioner, And told Petitioner he owed him \$300<sup>00</sup>, And threatened Godley harm to Petitioner & his Family. Petitioner's mother had been giving money to Paul Brown people own the street, meaning they knew where they lived.

2III Petitioner told his mom over the phone about the threats to Petitioner and his mom trying to get her to just pay the dept, but instead of paying the dept when she hung up the phone she called the Authorities At the Danville City, told them her son was being threatened And her self over \$300<sup>00</sup> crack dept.

2V) They meaning Capt Davis, Capt Totten came to me I explain the situation to them they lock me in ISO for my protection, they then notified the Danville City Police department, or State Authorities about the situation, AS should of been done by Policy & Procedures set forth by the Uniform Code of Justice for The Commonwealth of Virginia set by the house of representatives of the Commonwealth of Virginia.

2VI) Petitioner is now faced with the fact him, and his family may have to relocate because the City of Danville Virginia had Capt's Lt's and officers working for them who would rather cover up the MASS drug dealing going on, than protect the inmates of the City Farm, They do not want the police to know the MASS amount of Drugs coming in and being distributed in the Danville City Farm.

## Conclusion

Therefore this Petitioner prays for the Honorable United STATES Federal Court to respectfully grant him punitive damages he seeks in his 1983 Civil Actions behind Danville City Farm not following policy and procedure of Code of justice set forth by the house of representatives of the great Commonwealth of Virginia governing The board of Criminal Justice
